

GIVE IT UP FOR HGC CHALLENGE

FEB 1-28, 2019

CLUB FUNDRAISING EVENT

What could you give up this February?

- Is there something you can't live without?
- Do you have a habit that drives you or family and friends crazy?
- Are you music / TV / phone / tablet or social media obsessed?
- Are you a shopoholic? Perhaps you are a chatterbox or complain too much?!
- Could you give up alcohol, caffeine or sweets, crisps and junk food?

If so, then why not try our February fundraising challenge and try to **Give It Up** for **Honiton Gymnastics Club?**

3 WAYS TO GIVE IT UP

To make this really easy, all you have to do is choose something you are willing to give up and choose one of the following three ways to fundraise:

1. Using the form overleaf, get sponsored to **Give It Up** for your chosen period of time during February - 1 day, 1 week, 2 weeks or the whole month - it is up to you!
2. **Give It Up** and donate the funds you would normally spend on the item over the month.
3. Pay a fine every time you forget to **Give It Up** and donate the funds at the end of the month.

TRAINING GROUP CHALLENGE

This extra just-for-fun challenge is open to all members of the club **including parents and coaches!**

The aim is to see which training group can raise the most amount of funds for the club by the end of the month!

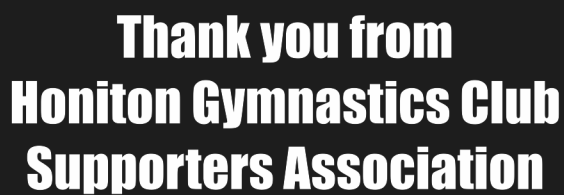

All forms and funds raised will be collected during the last training session of the month.

The winning group and participants will be announced on the gym club Facebook groups, in the SA newsletter and gym merits awarded to participating gymnasts.
